Hasty Awards, previous b/w ad from Mar-Apr issue

National Interscholastic Swimming Coaches Association of America
To Educate... To Promote... To Honor.

Dear NISCA Membership,

The position of All America Coordinator was created in 2007 to facilitate collecting and publishing NISCA's All America lists. The list were originally created from paper applications. All America Chairs had to read some interesting handwriting and enter all data by hand, resulting in misspelled names and misdirected certificates. All America Diving judging was also done manually, including scoring, calculations, and data input. After 2007 NISCA began online applications for the All America programs. Dick Farnsworth and International Sports Timing, working hand-in-hand with AA Diving Chair Don Mason, transitioned us to state-of-the-art diving judging consoles and computer calculation of scores. Over the years software was improved and Swimming, Academic and Scholar Team applications also went online. The AA Chairs, with Dick Farnsworth, were instrumental in making the process easier for coaches. In 2019 we added Water Polo to the online process. The process used in water polo took extra work and much input from our Water Polo Chair, Bryan Weaver. I am proud to say that in 2019-20 we added Para Swimming to our All America programs.

The last two years have been challenging for everyone. Delayed and cancelled seasons have wreaked havoc on the lives of high school athletes, their parents and coaches. However, now is the time for celebration of the athletic and academic achievements of the swimmers, divers and water polo players who appear in this 2020-21 All America Edition of the NISCA Journal. These are the best student-athletes in the country! This recognition affords a sense of pride, not only for those whose names grace the pages of the commemorative issue, but for those who helped in the journey. We know that celebrating these student-athletes' successes provides powerful motivation to both individuals and teams and sets the table for future success.

NISCA has been awarding All America honors for over 80 years. So, whether they are the first All America recipient from their school, or the latest in a long line, the athletes who earned those honors will become legendary at their respective schools. There is nothing like walking onto a pool deck that displays their NISCA All America Awards in a place of prominence. The certificates serve as reminders of the great performances that were achieved in the pool and classroom. They are also motivators for future student-athletes to strive for every day. One of those certificates might even wind up on the wall of the pool of Seward High School in Seward, Alaska. Lydia Jacoby of Seward High School was the 100-meter breaststroke gold medalist and placed second on our All America list in the 100-yard breaststroke. There are countless Olympians who have been NISCA All Americans.

Other NISCA All Americans who are Tokyo Olympians are butterfly Torri Huske who won a Silver Medal as a member for the USA 4 x 100 Medley Relay and Hailey Hernandez who was 9th in 3 Meter Diving.

Again, thank you to Dick Farnsworth of IST for all his work on every aspect of the NISCA All America program. The All America Chairs worked extremely hard to help coaches and athletes during this past year, and deserve recognition for their efforts. These are volunteers who in most cases have full-time teaching and coaching jobs: Mark Jedow (Girls Swim and Para), Tim Sirois (Boys Swim) Don Mason (Diving), Bryan Weaver (Water Polo) and Marney Shirley (Academic and Scholar Team). The chairs all relied on Eve Julian (webmaster) and Annette Thies (membership) to help resolve issues throughout the year, thank you Eve and Annette!

Again, congratulations to all the honorees!

Mark Onstott,
All America Coordinator

FINIS

AD,

Something used previously, but **not** JolynX

Congratulations on your achievements!

Thank you for your purchase of this year's Commemorative Edition of the NISCA Journal which lists our All America honorees in Swimming, Diving, Water Polo, Para, and Academic.

A very small number of extra copies will be available from the NISCA Store. Contact NISCA shopkeeper Gregg Anderson at the email address: store@niscaonline.org

The cost is \$35 per copy, including mailing. We emphasize that the number of extra copies is *-extremely-* limited and are not expected to last long, so if you want one, act fast!

The format and paper quality of this edition has been upgraded to match the May-June Journal issue, which we have received many enthusiastic comments about. We have also eliminated the three-hole punches in the spine margin since a large majority of NISCA members indicated a preference to eliminate them. We suppose you can always punch your own holes, but suspect they aren't needed much these days. If you disagree and wish to comment, email me at the contact address on this page.

As noted in AA Coordinator Mark Onstott's letter on page 3, this past school year has been loaded with burdens and challenges the likes of which we have never before had to deal with, and which have had the additional effect of generating fewer swimming AA applications; in some events we did not have enough entries to fill out the normal top-100 times!

The All America Chairs and Executive Board have therefore decided it would be prudent to not use this year's reduced times collection in calculating the 3-year rolling average of times used to determine the qualifying times for the next year.

The AA swimming automatic qualifying times for 2021-2022 will remain the same as for 2020-2021. They are posted in yards and meters lists on pages 7 and 8.

In other AA-related news, we are very excited to announce that **Duraflex** has come on board as the NISCA AA Diving Sponsor! Anyone who has been around competitive aquatics for at least the last 50 years has rarely, if ever, seen a diving board not manufactured by Duraflex. They are, to put it simply, **THE** diving board folks. **WELCOME, DURAFLEX!**

This issue has been renamed the "NISCA Journal - All America Commemorative Issue". We will add a full-feature regular issue for July-August beginning in 2022.

The space usually reserved for the upside-down mailing address at the bottom of the front cover has migrated to the top of the back cover, which allows us to fully utilize the "real estate" on the front cover and give a nicer overall look to the publication. This will begin with the September-October issue.

CALL FOR PHOTOS!!!

If you or your team are listed in the Swimming, Diving, Water Polo, Para, or Scholar Team sections, send us a high quality jpg photo that has not been cropped, and we may be able to feature you and note your accomplishment in a Journal during the coming season. Send to journal@niscaonline.org with **PHOTO** in the subject line, and be sure to include a detailed description of the athlete(s) (names in picture placement order) and their grades, school, coach, venue, etc. Feel free to send more than one!

The *IST/NISCA National Dual Meet Power Point Rankings* will be published in the Sept-Oct issue of the Journal. They are, however, available online.

Go to www.niscaonline.org, click on "Award Programs", then on "National Dual Meet" in the dropdown menu. You can download a full copy of the results and rankings from there. Big thanks to Power Point Coordinator Matt Stewart for such nice-looking charts!

All America Qualifying Standards for Swimming and Para, as well as an updated list of NISCA National Records and other important information, will be included in the September-October regular edition of the NISCA Journal.

The #2 ranked swimmer on the event list on the following page has her sights set on being #1 and breaking the National High School record next year. Seward High (AK) High School's Lydia Jacoby continued her pursuit of high goals at the Olympic Trials, made the Tokyo Olympic squad for the USA, and brought home a gold medal in the 100-meter breaststroke. With another year of high school left, she has verbally committed to The University of Texas for the Class of 2026, and has really brought the spotlight to Alaska Swimming. We're sharing excerpts from an excellent and in-depth story in her own high school newspaper, "SHS Today", by Kylie Mullaly.

(From December 2020)

As Jacoby continues breaking records, succeeding at championship meets, and qualifying for this summer's Olympic trials, she has entered the realm of college recruitment. At least 40 schools contacted her. Still unsure of what she was looking for, Jacoby was "very nervous about missing out, so I actually ended up talking to almost all of them at least once."

Jacoby said she felt honored to be desired by so many schools and see her hard work pay off. However, the process was very stressful for a barely sixteen-year-old. "Although the process is really cool and I'm beyond grateful for it, deciding my path for the next 6 years is a lot to be asked to do," said Jacoby. "It's also tough to build such a strong connection with so many people and have to just cut it off when you eliminate the school," she added. "It's like some sort of breakup and committing is the marriage."

In her final year at Seward High School, Jacoby hopes to break the national high school record in the 100 SCY (short course yards) breaststroke. She will also focus on improving her 200 breaststroke and rounding off another event to swim in college. "Seward High School has always been so supportive of what I am doing both academically and athletically," says Jacoby. "The staff always goes out of their way to make opportunities for me even in our small town. Also, I've grown up swimming in Seward so the same friends, coaches, and community have been with me all the way through my athletic career."

By Kylie Mullaly, Seward High School

Yorktown (VA) High's Victoria "Torri" Huske , new NISCA National Record Holder in the 100 butterfly. Huske won a silver medal in the 4x100-meter medley relay at the Tokyo Olympics. She has committed to Stanford University. Torri was coached in high school by Torey Ortmayer. (Photo by Deb Kolt)

Taking a celebratory dip in the tank following a big victory is a tradition that has no known beginning and no projected end, and it's always a wise coach who removes wallet, belt, and shoes before the swimmers make their move.

The Clearfield Area (PA) Bison swimmers are pictured here exulting in their double 2A District 9 Championships last season. They apparently like swimming fast, evidenced by their District Victory Dips in 2019 and 2020, too, shown below!

To say that swimming is a big part of Jackie Morrison's life would be quite the understatement.

Morrison, who is in her 32nd year as the head coach of the Clearfield swimming program, lives and breathes the sport.

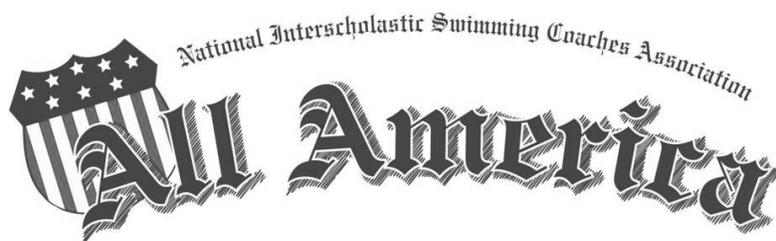

She has been wildly successful at her craft in an area where swimming does not enjoy the same kind of interest as many other sports.

She has over 650 dual meet wins as head coach, guiding her girls teams to a mark of 312-81-2 and her boys squads to 341-49-1 record. The boys have won 29 District 9 titles, while the girls have amassed 18.

Morrison took over the Clearfield program in 1989, the same year she accepted a teaching position at her alma mater.

(Rich Murawski in the Clearfield Progress News, January 3, 2021)

The 2020-2021 NISCA All America Diving Judging Committee

Front row: Jeff Arnold, Courtney Gills, Donna O'Brien, Charly Collins,
Trey Collins III, Ethan Burke.

Back row: John Pearson, Paul LaCroix, Dave Brinks, Dave Salmon,
Mike Wagner, Dick Farnsworth, Russ Ingold and Don Mason

Not pictured: Carly Sevald and Jennifer Amman

Richwoods High School (Peoria, IL) Boys Team

Coach Chris Lingenfelter

Their season started in November and lasted one day before a statewide shutdown of athletics halted practices due to the pandemic. They were able to restart in January and had a shortened season.

Two weeks before the end-of-season meet they were going to host, their pool shut down due to mechanical problems. They had to drive 20 minutes to another site to practice the last two weeks and ask someone else to host the meet.

"Never give up, never surrender."

—Commander Peter Quincy Taggart

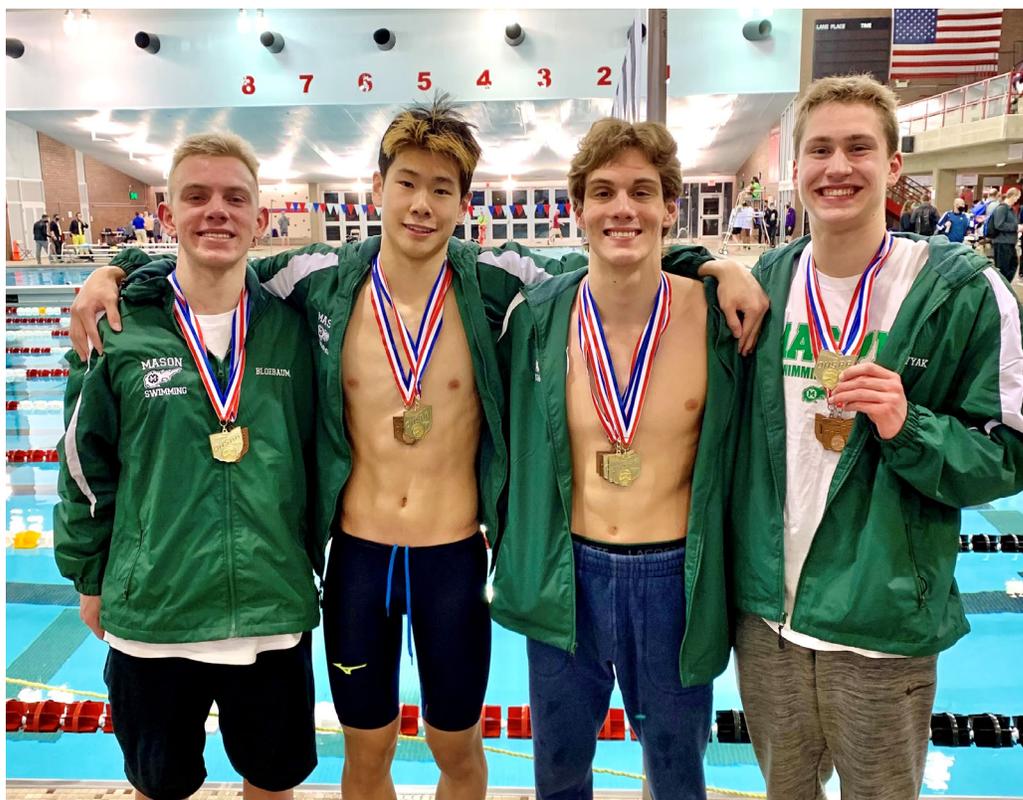

The Medina (OH) High School Bees are coached by David Kaufmann, Anthony Petruzzi, Allison Davilla, and Steve Rhien.

The girls finished 10-2 in dual meets last season, and the boys went 10-4.

Seven swimmers were named All-Conference, eight were named All-Conference Honorable Mention. Both teams received NISCA Scholar Team Awards, the girls were Gold, the boys were Silver.

Way to go, Bees!

The Mason (OH) Comets after their first relay win ever at State, in the 200-yard medley at the Division 1 Ohio State Championships. They are coached by Mark Sullivan.

Left to right:

Carl Bloebaum-11 (100 fly-2nd)

Kevin Wu-12

Braden Osborn-12 (50/100 free-1st, 5th)

Eli Devyak-11 (100 fly-5th)

The Mason boys team finished 4th at State, finishing 1st in the 200 medley relay, 3rd in the 200 free relay, and 13th in the 400 free relay.

The medley tied for 12th in the NISCA All America listings.

Congratulations, Comets!

When the power failed during the annual NISCA All America diving judging meeting at Don Mason's house in Michigan this summer, it barely slowed down this intrepid panel of judges, who stalwartly soldiered on in the cold (yes, it was funny Michigan summer weather!) with the help of generators, extension cords, and warm beverages! You can easily pick out the judge from Texas in his warm red parka, veteran coach and longtime AA diving judge Trey Collins, aka "The Silver Surfer", but you can bet he wasn't going surfing in this weather!
