Scholar Team Award Application

The objective of the Scholar Team award is to recognize teams that perform on a high academic level. The award is a cumulative effort by a team of 12 or more athletes who strive for academic success during their high school careers. Applications are accepted for girls, boys, and combined team at the varsity level.

Scholar Team applications have two deadlines: a submission deadline and a completion deadline. The portal opens to submit applications on January 1 and closes on June 15 at 11:59 PM Eastern Time. The **submission/completion** deadline is March 31 for Fall/Winter seasons and is June 15 for late applications and Spring season.

The late fee of \$30 applies if an application is not submitted and completed by the deadline. Non-member fee is \$40 per application. No applications accepted after June 15.

The Scholar Team application is completed online and requires emailing a scanned signature page which verifies the online information was correct to the NISCA Academic Award Chair at aaamerican@niscaonline.org
