3. Warm-Down Pool
  - The space between the two pools will be open for the duration of the meet. Once diving concludes the dive end will also be open
4. Relay Entries
  - All relay swimmers and alternates must be entered on the relay card.
  - The 200 Medley Relay line-up is set when the meeting ends. The 200 Free Relay can be changed until the end of the 100 Freestyle. The 400 Free Relay can be changed until the end of the 100 Backstroke.
5. Meet Management
  - Flow of traffic is important so we can meet moving at a good pace.
  - Fly over starts will be used except in the Medley Relay and 100 Backstroke
  - Swimmers should stay behind the timers until the previous heat is complete to allow for the timers to be in position of the heat in the water.
  - Dual confirmation is required for all false starts and relay exchanges.
  - Please assist with keeping swimmers quiet at the start of races.
  - Report any declared false starts to the Referee or Starter.
6. Awards
  - Awards will be bagged, and you can pick them up from the office before leaving.
7. Break
  - A 20-minute break will take place after the 50 Freestyle. The pool will be open for the first 15 minutes of this break.
8. Results
  - Results will be posted in the hallway.
  - Electronic Results (Meet Back-Up and/or Team Manager files) will be emailed at the conclusion of the meet.
  - Hard copy results with splits will be available after officials sign the results and copies are made for those that request it.
  - Be sure to enter your times into the WISCA portal.

11. Injuries/Ice

- The trainer is on site and provided by Midwest Orthopedic Specialty Hospital

12. Officials' Comments
