National Interscholastic Swimming Coaches Association of America, Inc. To Educate.... To Honor.... To Serve

ALL AMERICA: Two words that don't need any further explanation. Inside these pages you will find the NISCA/Speedo High School All America listings for the 2016-2017 school year in swimming, diving, water polo and academic for both boys and girls.

Along with our sponsor, Speedo, the *National Interscholastic Swimming*

Coaches Association **IS** All America for high school aquatics. It is our most visible program. It does not happen by magic. First, coaches need to submit applications. Nothing happens until an application is submitted. Our All America chairs work tireless all year to make sure that the list is updated and correct online and then, when the application process is over, ready the list for publication and certificate production. We started online applications for diving All America 11 years ago. Along the way, we have added swimming and academic applications online. I am happy to announce that for the 2017-18 school year we are adding an online water polo application!

A big thank you goes out to Dick Farnsworth, Ryan Julian of International Sports Timing and our own, NISCA secretary, Eve Julian (yes they are all related). They all have played major roles in getting us online. IST is also the official timing system of NISCA and sponsors the National Dual Meet Championship program in addition to providing website services, software development, hardware and logistical support for the All America Diving Judging meeting.

The NISCA/Speedo All America program is obviously a great honor for the athlete, school and coach but it is also a great incentive program. I can remember having the 200 Medley Relay All America standard on a large piece of paper above my bed and in my pool locker when I was a senior in high school. The time was 1:41.3, if I remember correctly. Since the time only measures to the tenth of a second you can probably guess how long ago that was! It was a simpler time, watches had dials and sweep hands and new fangled electronic timing system were just coming on the market. Sadly enough we didn't make the cut. I swam two other events, that's all we were allowed in the dark ages, and wasn't even on the relay. Still, the All America goal was a big one for us. Having the goal changed our whole season. While we didn't obtain it, striving for it helped us accomplish other things we didn't think were possible. It never hurts to dream big. Being an All American is a great dream. Coaches, I urge you to use the All America standards as a dream machine for your program.

Finally, a huge thank you to our All America chairs; Rich Hood (boys swimming), Tim Sirois, (boys swimming assistant), Mark Jedow, (girls swimming), Don Mason, (diving), Bryan Weaver, (water polo) and Marney Shirley, (academic).

All of these folks are volunteers who have spent countless hours compiling the list you see printed inside. They do an outstanding job every year.

This issue officially closes out the 2016-2017 school year. We have some exciting things in store for next year. I can't wait!!

From the Editor:

I love the All America Issue! I get excited seeing my kids (looking at you Tyr Hondorf, Academic All America!) and I imagine that coaches, swimmers and parents all over the country feel the same. It's a testament to the sport that there are swimmers in these lists from every state, every size and type of school, and a wide variety of communities. I believe that swimming has a place for everyone and looking at these lists seems to confirm that.

I hope that you'll take the opportunity to look through all of the lists, not just find your own swimmers! The lists can be great motivational tools and also give us a glimpse into what is happening across the country. See a team that seems to be moving up the charts? Let's find out what they're doing right! Notice someone from your area who *should* be in the list, but isn't? That's a great opening to reach out to the coach or school and let them know what the NISCA organization can offer. Don't forget that there's a lot more to NISCA than this issue of the Journal!

The compilation of the AA lists requires hours of hard work, and a little fun too, on the part of our AA Chairs

and their committees. In the next issue we'll share some details about how it works. If it sounds like something you'd be interested in helping with please reach out to the respective chairs.

As we move into August and back to school (I report July 24th - can anyone beat that?) don't forget to renew your membership. It's necessary to place swimmers on these lists, but also provides a ton of other benefits. Insurance is one of these and we'll be sharing information on the coverage included with your NISCA membership coming soon!

We will be at the ASCA World Clinic in Washington, DC at the end of the month. I hope many of you will have the opportunity to attend and will come by and see us.

Congratulations to all on a great 2016-17 season. I can't wait to start work on the 2017-18 AA issue; I'm sure it will be even better!

Betsy Hondorf

MEETWARE®3

MEETWARE®3 Software turns your laptop into a fully integrated timing, meet and team management system. In **MEETWARE®3**, create meet structures, time meets and maintain athlete histories *in one program on one computer*. **MEETWARE®3** is specifically designed for high school meets. Automatically seed dual, double (or more) duals, triangles, timed finals and championship meets. Prelim results automatically seed into finals at the end of the prelim event. Know the team score at the end of each event. Import entries from and export results to Hy-Tek's Team Manager. Demo mode and Video Tutorials make training easy. No timing console required!

MEETWARE®3 VERSION 3.00 (9/12/2011) Licensed to: New Inter High School (NYGIRLS)

duPont Manual H.S. - Louisville , KY . Zorry Mason 3 x ALL- American IM/FLY, Girls 200 Free Relay - AA , 7 X Academic AA , Golden level Scholar team both Girls and Boys

\$6 Flat Paddles
(must buy 16+ sets)
Great flexibility at a great price!

- No adjusting – faster than tubes
- Uniform holes for optimum feedback
- Straps pre-installed for all types of uses:
 - holding vertically (power paddles)
 - horizontally (sculling drills)
 - finger strap only (outsweep training)
 - finger & wrist straps (beginner training)
 - no straps - wrap knuckles over front edge to apply force to forearms

\$12 Tech Snorkels!

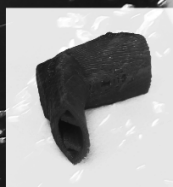

(buying 10+)

More than just a snorkel !

- The most stable “off the wall” snorkel
- Higher out of water than any other snorkel (with removable extension)
- Trains a neutral head position
- Trains to breathe out the side of the mouth
- Forces tight streamline arms off EVERY wall
- Coach can see unwanted head movement

swimmersbest.com

Free InHaler with Every Snorkel

- Trains breathing behind bow wave
