Dear NISCA Board,

I am writing to formally submit my application for the position of President of NISCA. With over 36 years of head coaching experience and a background in leadership within various swimming and coaching organizations, I believe I am well-qualified to take on this important role and continue moving the organization in a positive direction.

Throughout my career, I have gained invaluable experience, including serving as the President of MISCA during the challenging COVID-19 pandemic. This experience taught me how to lead through unprecedented times and to adapt and innovate in order to keep the organization moving forward despite external challenges. Additionally, I have served as the MISCA Zone Representative for 19 years and held the position of NISCA Membership Chair.

I am committed to building on the successes of the past and helping guide NISCA into a future. My goal as President is to work collaboratively with the board and members to ensure the long-term vitality of our organization.

Thank you for considering my application. I would welcome the chance to discuss my qualifications in more detail and explore how I can contribute to the ongoing growth and success of NISCA.

Sincerely,

Brad Jones
